UNIVERSITY OF  
**ABERDEEN**

# RESEARCH FELLOW

SCHOOL OF PSYCHOLOGY

**Closing date:** 07 July 2021

**Interview date:** 23 July 2021

**Reference number:** PSY039R

## INTRODUCTION

---

*Applications are invited for a full time Research Fellow position at the University of Aberdeen, UK, to work with Professor Jie Sui on a project funded by the Leverhulme Trust investigating the pattern of neural oscillations supporting self-related processing from perception to decision making.*

We wish to recruit a skilled and highly motivated post-doctoral researcher to join a team funded by the Leverhulme Trust to investigate the pattern of neural synchrony supporting self-related processing from perception to decision making.

The project will provide an excellent opportunity for trainees to work within the unique strengths of our productive interdisciplinary environment (experimental psychology, neuroscience, computational science).

## JOB DESCRIPTION

---

### MAIN PURPOSE OF THE ROLE:

The successful candidate will be responsible for preparing programmes and experimental materials, recruiting and testing participants, collecting and analysing behavioural and EEG/ERP data, preparing manuscripts, and assisting with the communication and dissemination of the research findings to both academic and non-academic audiences.

### KEY RESPONSIBILITIES:

Knowledge of self literature

Publications on self-referential processing or EEG/ERP studies

Knowledge/application of social-cognitive theoretical models

Ability to combine computational modelling with EEG/ERP methods

### Desirable skills

Experience in Python/Matlab and R.

**Key responsibilities:**

- *Experimental design*
- *Stimulus generation and experimental programming using Python or Matlab*
- *Operation of EEG recording equipment*
- *Data collection: assessing large number of participants*
- *Data management and analysis of large and complex dataset using R, Python, or Matlab*
- *Generating novel methods of analysing EEG/ERP data*
- *Co-authoring academic journal articles*
- *Dissemination of results to scientific meetings and lay audiences*
- *Developing independent research interests and collaborations*
- *Awareness and development of research skills to meet the needs of the project and future career*
- *Team working to organise the complex demands of a large research programme*

## CANDIDATE BACKGROUND

---

*The candidate must have a PhD in Psychology or Cognitive Neuroscience at the time the post starts*

The ideal candidate will have knowledge/application of social-cognitive theoretical models and ability to combine computational modelling with EEG/ERP methods. Numerical proficiency and statistical skills, and knowledge of self literature are essential.

Experience in EEG/ERP design, data collection and data analyses is highly desirable. The research will use Python/Matlab and R: experience with these programmes is also desirable.

## TERMS OF APPOINTMENT

---

Salary will be at the appropriate point on the Grade 6, salary scale, £33,797 per annum. and negotiable with placement according to qualifications and experience.

Any appointment will be made subject to satisfactory references and probation period

For further information on various staff benefits and policies please visit [www.abdn.ac.uk/staffnet/working-here](http://www.abdn.ac.uk/staffnet/working-here)

This role is based in the UK and as such the successful candidate will be required to live and work in the UK.

Should you require a visa to undertake employment in the UK you will be required to fulfil the minimum points criteria to be granted a Certificate of Sponsorship under the requirements of the Skilled Worker visa. At the time an offer of appointment is made, you will be asked to demonstrate that you fulfil the criteria in respect of qualification and competency in English. For research and academic posts, we will consider eligibility under the Global Talent visa. Please do not hesitate to contact Natalie Reid, HR Adviser (e-mail: [n.reid@abdn.ac.uk](mailto:n.reid@abdn.ac.uk)) for further information.

### AT A GLANCE

#### SALARY:

GRADE 6  
£33,797 per annum

HOURS OF WORK:  
37.5 hours per week

#### CONTRACT TYPE:

Project limited, 20 months

#### LOCATION:

Aberdeen

## PERSON SPECIFICATION

	ESSENTIAL	DESIRABLE
<b>Education/Qualifications</b> Academic, technical and professional education and training	<ul style="list-style-type: none"> <li>• <i>PhD or equivalent degree in Psychology or Cognitive Neuroscience</i></li> </ul>	
<b>Work and Other relevant experience (including training)</b> e.g. Specialist knowledge, levels of experience, supervisory experience, research	<ul style="list-style-type: none"> <li>• <i>Knowledge of self literature</i></li> <li>• <i>Publications on self-referential processing or EEG/ERP studies</i></li> <li>• <i>Knowledge and application of self-cognitive theoretical models</i></li> <li>• <i>Ability to combine computational modelling with EEG/ERP methods</i></li> </ul>	<ul style="list-style-type: none"> <li>• <i>Experience in EEG/ERP design, data collection, and data analysis</i></li> <li>• <i>Experience in presenting research to academic, professional and lay audiences</i></li> <li>• <i>Successful track record in authorship of research publications</i></li> <li>• <i>Use of Python/Matlab and R</i></li> </ul> Experience of supervising student research projects
<b>Personal qualities and abilities</b> e.g. initiative, leadership, ability to work on own or with others, communication skills	<ul style="list-style-type: none"> <li>• <i>Excellent interpersonal skills</i></li> <li>• <i>Ability to work independently and as part of a team</i></li> <li>• <i>Strong statistical skills</i></li> <li>• <i>Excellent written skills and oral presentation skills</i></li> </ul>	<ul style="list-style-type: none"> <li>• <i>Ability to communicate complex technical research to lay and expert audiences</i></li> </ul>
<b>Other</b> e.g. special circumstances (if any) appropriate to the role such as unsocial hours, travelling, Gaelic language requirements etc.		

## UNIVERSITY OF ABERDEEN

*open to all and dedicated to the pursuit of truth in the service of others*

The University of Aberdeen is a broad based, research intensive University, and we put students at the centre of everything we do. Outstanding in a wide range of discipline areas, Aberdeen is credited for its international reach and commercialisation of research ideas into spin out companies. The University has over 16,000 matriculated students and 3,600 staff representing 130 nationalities. We encourage bold thinking, creativity and innovation, and we nurture ambition with many opportunities for professional and personal development in an inclusive learning environment which challenges and inspires.

### CURRENT CONTEXT

The University continues to build on the achievements above. Underpinning our high performance and significant growth is a £100m investment in Aberdeen's estate which will include the completion of a new Science Teaching Hub, the regeneration of the historic King's Quarter and a new Business School building. The University has also invested in 50 new academic posts and in 2020 launched five interdisciplinary, cross-institution Research Centres that will catalyse world-leading research in our areas of strength. Our five Interdisciplinary Challenges are: Energy Transition; Social Inclusion and Cultural Diversity; Environment and Biodiversity; Data and Artificial Intelligence; and Health, Nutrition and Wellbeing.

### ABERDEEN 2040

On our 525th anniversary as a University we launched [Aberdeen 2040](#), our strategic vision for the next 20 years. Four strategic themes will shape our learning and discovery, underlined by 20 commitments we have made against each theme:

- **Inclusive**  
We welcome students, staff and partners from all backgrounds, organisations and communities. We value diversity.
- **Interdisciplinary**  
We innovate in education and research by generating, sharing and applying new kinds of knowledge. We learn together.
- **International**  
We connect with others and extend our networks and partnerships around the world. We think across borders.
- **Sustainable**  
We understand and nurture our environment, and take care of our resources, including our people and finances. We work responsibly.

## OUR EDUCATION

Recognised as the Scottish University of the Year in the Times and Sunday Times Good University Guide 2019, we remain true to our roots as an ancient Scottish university, combining breadth and depth in our degree programmes and drawing strength from the quality of our research. Our flexible curriculum encourages students to grow as independent learners and therefore to thrive as graduates in the diverse workplaces of the future. Our education is open to all and we are setting ambitious targets to further widen access.

## OUR RESEARCH

Researchers at the University of Aberdeen have been at the forefront of innovation and excellence throughout the centuries, generating insights in medicine, science, engineering, law, social sciences, arts and humanities. This research has contributed to five Nobel prizes as well as other awards such as the Queen's Anniversary prize. Our research is intellectually rigorous working within our established areas of excellence as well as new methods of enquiry. We will continue to generate new knowledge addressing economic and societal issues with ambition and imagination, ensuring that it is globally excellent and locally relevant.

## INTERNATIONAL

Aberdeen is increasing its international presence, positioning the University as a global organisation and building on established global partnerships in e.g. Qatar, China, North America, Europe. We feature in the top 50 institutions worldwide for international students<sup>1</sup> and have been named 32<sup>nd</sup> in the world for International Outlook<sup>2</sup>. The University of Aberdeen is proud to be the first UK University to operate on a dedicated campus in Qatar. Phase 1 of this partnership with AFG College has successfully recruited over 600 students. Phase 2 will see the creation of a substantially larger campus, with capacity for at least 5,000 students and research activity. For further information on our Qatar campus visit [www.abdn.ac.uk/qatar](http://www.abdn.ac.uk/qatar).

## IMPACT

Our dedication to building a sustainable future is reflected in the Times Higher Education Impact Rankings 2021 where we were ranked in the top 60 Universities worldwide for positive impact on society.

In 2020 the University signed the United Nations Sustainable Development Goals accord, solidifying our commitment to developing the world in a sustainable way. In 2021 we were listed in the global Top 50 for 6 of these goals and in the UK Top top 20 for all 17<sup>3</sup>.

## ABERDEEN AND ABERDEENSHIRE

---

Scotland's third largest city, Aberdeen sits on the coast between the mountains of Aberdeenshire and the stunning North Sea coastline. The Aberdeen City region is a can-do place that is actively investing, at scale, in its future.

Renowned as a Global Energy Hub, Aberdeen is a vibrant, entrepreneurial region, home to a unique mix of business opportunities and specialist skills across various sectors including energy, technology, life sciences and food & drink. More than 20% of Scotland's top businesses are located in this region which is taking great strides to ensure that it continues to compete on a world stage. Investments of more than £10 billion of public and private infrastructure is due to be delivered before 2030, marking an exciting time to be part of a genuine world-class location.

Built from sparkling local granite Aberdeen has earned the name of the Silver City. As the energy capital of Europe, Aberdeen nevertheless retains its old-fashioned charm and character making it an attractive place in which to live, work and study. Due to its global business and international energy industry credentials, Aberdeen is well served by local and national transport infrastructure with excellent rail networks that run both North and South of Scotland and the rest of the UK. It also acts as an international travel hub. Flying time to London is just over one hour with regular daily flights and serves international travel to European centres such as Amsterdam (Schiphol) and Paris (Charles de-Gaulle) as well as flights to other European destinations.

The City and the surrounding countryside provide a variety of urban, seaside and country attractions. Aberdeen has first class amenities including [His Majesty's Theatre](#), [Music Hall](#), [Art Gallery](#), [the P&J Arena](#), [Museums](#), and [Beach Leisure Centre](#). The City is framed by its accessible beach front which is within a short walk of the city centre and there are an array of activities available across the region such as hill walking; mountaineering; sailing; surfing; salmon, trout and sea fishing; golf; sailing; surfing and windsurfing. The surrounding countryside, known as Aberdeenshire, is also one of Scotland's most appealing regions. Royal Deeside and the Cairngorms National Park are within easy access of the city, and there are a variety of towns and villages scattered along the coastline.

The city and the surrounding area have ranked consistently highly in nationally recognised quality of life surveys, coming out top 10 as one of the best places to live in Scotland in 2020 in the annual Bank of Scotland survey.

## EQUALITY AND DIVERSITY

---

The University values a diverse working environment and recognises the benefits this can bring. The University is keen to receive applications from individuals from across all of the equality protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation).

The University supports opportunities for flexible working for a range of reasons and has policies in place to facilitate this. The policies can be found at <https://www.abdn.ac.uk/staffnet/working-here/flexible-working--5607.php>.

The University's commitment to gender equality has been recognised through the achievement of an Athena SWAN Bronze award at an institutional level and across all its subject areas. The University is also a Stonewall Diversity Champion to further LGBT+ equality.

The University is signed up to Advance HE's Race Equality Charter, affirming the University's commitment to the charter's aim of improving the representation, progression and success of minority ethnic staff and students within higher education.

Candidates who are British Sign Language (BSL) users can contact us directly by using [contact SCOTLAND-BSL](#).

The University is delighted to be accredited as a [Disability Confident](#) employer and strives to ensure that disabled staff and students have the opportunity to work and study in an inclusive, accessible and supportive environment.
